### TEAM INFORMATION:

ACVC is proposing 3 teams this season: 16U/15U/13U. The number and size of each team is dependent upon the number of participants. The age description chart and further information is available on our website: [www.TheACVC.com](http://www.TheACVC.com)

Athletes are allowed to play up in age, however, *not* allowed to play down.

The tuition breakdown for each player invited to play for ACVC will vary, determined by team, level of play, and tournament specifics. Prior to tryouts, each player will be required to register for a tryout pass through USA Volleyball/NCVA (\$15). If chosen for a team, rough estimates of season tuition are as follows (monthly payment plans are available):

**16U: \$1700    15U: \$1400    13U: \$1100**
